We are really pleased to tell you that we will be presenting you with ‘Monday Motivation’! This will be a series of videos from the staff which we hope will encourage and motivate the children to engage with the online learning. We have noticed a decline in the amount of work being uploaded onto SeeSaw and Tapestry and want to find ways to re-engage the children to ensure that they are still accessing the curriculum. We know that this is challenging for our families and so we are looking at new ways to support you; this is also in response to the feedback we had from the parent survey. Videos will be on Tapestry, SeeSaw and the class pages of the website.

You may have heard that we are going to be using ‘ParentPay’ from September. This will be a really effective way of ordering and paying for school meals, trips and uniform etc. Log in details will be sent soon. We are also moving to a different text/letters home provider. Please do download the ‘eSchools’ app when we send you login details—all texts will be free then!

As the national expectations around lockdown are easing I would like to request that our families continue to follow social distancing rules set out by the government, especially in and around our school. Thank you for your ongoing support with this.
